Annual Report 2014-15

HUMANITY TRUST
STRENGTHENING HEALTH AND SOCIETY
MESSAGE FROM CHAIRMAN

Most of the Indians live in village. Most of them are uneducated, poor and unhealthy. But health and medical services for those are very much insufficient in spite of every effort by the state and national government. Millions of Indians die out of malnutrition, without treatment or support for living.

Humanity trust is ushering in a quiet revolution by providing health and medical services at almost free of cost to those who really need it. In the last 22 yrs. two hospitals are made, both of them focusing on the rural mass, where they are located. Besides that, number of outreach programs are conducted on awareness, medical, medicine, eye and like.

Breakdown in family structure means breakage of social bonding and the society starts malfunctioning. The most vulnerable are the old and the children. It is very shamming to witness an old, child or women abuse. To protect them, “Kishore Kalyan Kendra AND Shantineer”, an old age home combined with orphanage is on the way to rebuild the distorted social bonding. Strengthening the “have-nots” through various ways is the next target. Cloth distribution, livestock distribution free tuition and counseling program are also our micro projects. Setting-up an English-medium school for poor villagers, after care units for girls and women at both the locations are our future projects.

Miles to go before I sleep... We are determined to deepen and widen our all projects to reach more people. Though we are stumbling for financial crunch, but with the blessings of almighty and your wholehearted support we shall overcome all the hurdles. In the last year, we have served 32471 patients in Hanspukur and 17421 patients in Sunderban unit. Total _______ operations (major, Semi major and minor) were done successfully with the team of ____ doctors, _______ nurses, _______ paramedics and other supporting staffs and Volunteers. In _______ camps of different dimension at different locations, total _______ people were benefited. Total fund received was INR 10378949.31 and expenditure incurred was INR 10583906 (Recuring) + INR 9830225 (Capital) = INR 20414131

On behalf of the Humanity Trust; I thank heartily to all the board members for their prompt and appropriate advice, all the donors for their support, all local residents for actively participating in the programs, all volunteers and staffs for their selfless and wholehearted endeavor and all forms of media for promoting our activities.

15th APR 2015

Dr. Ajoy K Mistry
Thakurpukur, Kolkata. (Chairman& Mg. Trustee)
MESSAGE FROM LIFE TRUSTEE

A man died but a dream was born. Subasini Mistry, an illiterate village widower of Sadhan Mistry, the mother of four kids ranging 4 to 8 yrs, took vow to build an hospital for the poor, to take revenge of the death of her husband due to lack of treatment.

“Services to the Human Being” keeping this motto ahed, Humanity Trust was formed in 1993, and Humanity Hospital a 3-storied building came into the services for mankind in 1995. The dream inspired the whole family, local residents and many more. Help and services poured in from various corners. Led by her youngest son, Ajoy, who crossed the thorny roads of his childhood in barefoot, now, Dr. Ajoy K Mistry, a medical doctor of high repute with sagacious heart; the trust is working vehemently and expanding its fields of work from medical to social service to community development to education and many more.

“Sky is the limit” and with the support from all corners all of these will be turned to reality soon. In conclusion I thank the team of Humanity Trust for another year of selfless work. I am indebted to our esteemed Board of Governors for their appropriate counsel. Importantly, the most sincere thanks to the donors, both individuals and corporate; and the media; they have stood by us through the years.

PROGRAM SNAPSHOTs

Humanity Trust runs many programs. They are-

1. Two Hospitals, one at Hanspukur, near Thakurpukur, Kol-104, and the other at Vill + P.O.: Santigachhi, G.P-Lahiripur Block Gosaba, Sundarban Coastal, 24 Pgs(S).

2. We wish to open an Old Age Home- “A place with health, happiness, peace and family-bonding” for which 10,000 sq ft and 3 storied construction has started at Hanspukur campus.

3. We also wish to open an orphanage to save “the future of the nation” and to rebuild social bonding, at the above mentioned location.

4. We do many outreach programs on health and medical related issues.

5. We conduct some awareness programs for the common village mass.

6. We provide some social services to the remote villages like good drinking water facility and donating livestock for their better livelihood.

7. We provide free tuition and stationeries to the school goers of poor families to reduce the rate of school dropouts and to build the future of the nation.

8. We provide free counseling to the villagers for their future benefits.

Our Programs at Hanspukur Hospital
1. 1.365 days OPD
2. 2.24 hrs Emergency
3. Indoor facilities with separated special care units
4. Modern ICU
5. Modern pathological laboratory
6. Daily ECG, TMT, EEG, USG & X-ray
7. 03 well equipped OT for Surgery
8. Specialists’ visit
9. Pathological lab

Eye Camps

EYE OPERATION (I. O. L.)

The free Eye Operation Camp has become a very successful project of the Trust. Till date 8340 persons have recovered complete vision due to the IOL Surgery being provided by the Trust. The free Eye Operation Project is conducted using the existing services and infrastructure of the Hospital. During the only last year, over 4367 persons recovered sight, of which more than 98 percent are over 60 years. Thus, the Trust has provided invaluable service to the senior citizens of the region.

Social services

Old Age Home and Orphanage at Hanspukur Unit

Humanity Educare Centre has just started helping underprivileged school goers by providing free tuition classes in the evening. We also provide the stationeries to them.
HIGHLIGHTS OF THE YEARS GONE BY

Construction started at Sunderban

Solar panels at Sunderban Unit

Car-donation by Letz Dream Foundation

Water logging at Hanspukur Unit
Since the day of inception, National and local Newspapers keeps on awaring the people about the Humanity Hospital and its other activities. The story Inspires everybody, every organization that thinks for Humanity. **We are really grateful to all forms of Media like** CNN-IBN, STAR Ananda, DD National, Aaj Tak, DD Bangla, Tara News, Aakash Bangla, UGC Program, E TV Bangla, 24 Ghanta, NDTV, Prabhat TV, Satyamev Jayate, on 27.05.12, 24 Ghanta-special Sanman Focus Bangla, Zee Bangla, Rupasi Bangla, Magazine/Book like UNSUNG HEROES, OUTLOOK, HARMONY, INDIATODAY and many more **for continuously supporting us** and hope to get more support to reach our goals sooner and in broader aspect.

**Our future projects**

“Life is a journey….. No destination is final and miles to go before WE SLEEP”

Though it is very tough for us to run our daily show due to lack of well-wishers and volunteers, still we are determined to accomplish the under mentioned projects in near future-

1. A school with English-medium, for the local poor people at both the locations.
2. An old age home at Sunderban.
3. An orphanage at Sundaerban.
4. Aftercare units for women at both the places.
5. Vocational training centre for young men and women at both the places.

**An appeal**

We are running many projects. We are determined to start with some more. Every morning we get-up to face new challenges. The most prominent one is the lack of funds. We also need volunteers from all segments of the society. Without Your benevolence we are nothing. So help us to help those who are “have-nots”.

**Our requirements of fund**

We require some funds to run our daily show and also to start the new projects.

**FUNDS FOR HANSPUKUR**

1. One 40KVA Power Generator 5,00,000
2. One Colour Doppler 9,00,000
3. One Digital System Of Radiology 8,00,000
4. One Ventilator 10,00,000
5. Pathological equipments 8,50,000
6. Lift for patients 40,00,000

**FUNDS FOR SUNDERBAN**

1. Complete set for 15 Beds 3,00,000
2. Opthermological (EYE) Equipment- 42,00,000
4. Furniture (Chair/ Table)etc. 4,00,000
5. Tube With Sub-Marshal Pump. 4,00,000
6. Patient Waiting Room. 12,00,00
7. 3 A.C. Machine (Solar) 1,50,000
8. 2 Refrigerators (Solar) 50,000
